

## ***Mass. Memories Road Show is coming to the Falmouth Public Library!***

In partnership with the Falmouth Historical Society, MBLWHOI Library, and FCTV Falmouth Public Library is hosting the Mass. Memories Road Show on Saturday, September 26 from 11:00 – 4:00.

### ***What is the Mass. Memories Project?***

The Mass. Memories Road Show is a state-wide digital history project that documents Massachusetts history through family photographs and stories.

### ***Falmouth residents can be part of Massachusetts history.***

This event is sponsored by Mass Humanities & the Massachusetts Studies Project at UMASS Boston. Over 1,200 photos and stories have already been gathered across the state, with a goal of including all 351 Massachusetts towns & cities. Local volunteers will scan the photos & videotape the stories behind the photos. View the images & videos at an educational database: [www.massmemories.net](http://www.massmemories.net)  
You can also add photos online at: [www.flickr.com/groups/falmouthmass](http://www.flickr.com/groups/falmouthmass)

### ***You can participate!***

Bring 2 or 3 photographs that represent you, your family or your connection to Falmouth. These can be old or new; formal or snapshots. We will scan the photos and immediately return them to you. We will ask you to share a 3-4 minute story about your photos on camera, and take a “keepsake photo” to document your visit.
