

Vessel Open Houses in Scituate and Woods Hole – September 15 & 16

NOAA's Stellwagen Bank National Marine Sanctuary
Cordially Invites You to Attend our Open Houses Showcasing
NOAA's Office of National Marine Sanctuaries'
Newest Research Vessel, the *SRVx*.

Come tour the vessel and talk to scientists about
this summer's archaeological expedition
and planned marine mammal investigations.

Scituate – Wednesday, September 15, 2010; 3pm-6pm
Sanctuary Boathouse, Sunset Road, First Cliff, Scituate, Mass.

Woods Hole – Thursday, September 16, 2010; 2pm – 6pm
National Marine Fisheries Service dock, Water Street, Woods Hole, Mass.

Tours of the *SRVx* will be offered throughout the open houses.
Light refreshments will be served.

Please RSVP to stellwagen@noaa.gov or call 781-545-8026 ext. 201
