

WHSTEP Science Outing

Sunday, June 17, 1-3pm

Dyers Dock, Woods Hole

“Open Ship” Tour

WHSTEP and Sea Education Association (SEA, www.sea.edu) will host an “Open Ship” event aboard the *SSV Corwith Cramer*. SEA offers field programs in marine and environmental studies for college and high school students. Meet current SEA Semester students, learn about their recent sailing adventure and voyage of scientific discovery on the Sargasso Sea, and tour the *Cramer*, a 134-ft brigantine equipped for modern oceanographic research. Visitors will be able to explore the deck, charthouse, galley, bunks, laboratory and library.

Note: Visitors must be at least 5 years old to board the vessel.

Dyers Dock is located off of Water Street, Woods Hole, beyond the parking lot between Coffee Obsession and Fishmonger's Cafe.

For more information, contact Kama Thiel, WHSTEP Administrator, at whstep-info@whoi.edu or 508-289-3478
