

JOIN THE CONVERSATION

CAN WOODS HOLE GO UNDERGROUND?

Please join us in a discussion of the idea of burying overhead utility wires to create a safer and more reliable underground system.

August 13th, 2012

4-6 PM

Woods Hole Community Hall

Refreshments will be provided

We value your opinion on this topic. If you know someone else who should be invited to this meeting please pass this invitation along.

The Underground Taskforce: Beth Colt, Art Gaylord, Mary Griffiths,

David Isenberg, Judy Laster, Rob Loyot, Christina Rawley
