Re: Fiscal Agent for Ethnic Diversity Photography Project

Dear Mr. Chester:

Regarding your photography project to document the ethnic diversity in the state of Massachusetts, I am happy to offer **Massachusetts Immigrant and Refugee Advocacy Coalition, a 501(c)3 non-profit organization** to serve as your fiscal agent for this undertaking to be completed within the next four years.

It is my understanding that your photographs will be compiled for general public viewing as a traveling exhibition, published in a catalogue for distribution to city libraries and schools through the state, as well as become part of our record.

I believe that your photographs of citizens of various ethnic heritage will offer an insightful and educational overview; not only to all other citizens, but also the images will bring attention to this organization's mission in making a positive impact on immigrants' lives.

Thank you for the opportunity to be associated with this photography project. I wish you success with your capital campaign.

Sincerely,

Eva A. Millona
Executive Director
