

# *Dance, Chaos and Scientific Creativity*

(A free workshop on the role of the random element  
in the creative process.)

**Sunday, Sept. 15, 3-5 at the MBL Club**

Professional dancer Jimena Bermejo Black and WHOI physical oceanographer Larry Pratt will lead this workshop: a blend of movement improvisation and chaos theory. No dance experience is necessary.

To register: contact Larry at [lpratt@whoi.edu](mailto:lpratt@whoi.edu) or 508-289-2540.
