Sponsorship and Donation
Opportunities in Support of:

Proceeds from Strike Out Cancer and the Run4YourLife, as well as all related sponsorships and donations, support Team Maureen's mission to fund the most promising gynecological cancer research, raise awareness of gynecological cancer through educational outreach, and provide support for affected patients and families.

Dear Friend,

Team Maureen was inspired by Maureen Duffey Russo. She was diagnosed with cervical cancer in 2003 and was treated at Dana-Farber Cancer Institute. In remission for almost 3 years, the cancer returned in 2006. The aggressive form of cervical cancer took its toll on Maureen. Despite her endurance and courage, she lost her battle to cancer on December 15th, 2006 at the age of 37. Although battling cancer twice, Maureen never complained, and in fact was more concerned for others than herself. She adored her children and was dedicated to all her family members and friends. She had an infectious laugh and a great sense of humor as well as the warmest and most giving heart.

It is with this spirit that Team Maureen was founded. Since organizing 7 years ago, we have raised over \$500,000 to support innovative cervical cancer research at Dana Farber Cancer Institute. Our efforts in recent years have extended to education and outreach in cancer prevention, as there are clear ways to prevent most cervical cancer.

Please consider contributing to this important cause, for Maureen, people like her, and for the women in your life. You can make a difference by joining us at one or both of our fundraising events, becoming a Team Maureen Sponsor, or making a tax deductible donation—all of which can be done at TeamMaureen.org or by contacting us at: 508-221-4024 or Eileen.TeamMaureen@gmail.com.

Sincerely,

Eileen (Duffey) Lind

SPONSORSHIP OPPORTUNITIES

(Available until April 1, 2014)

Gold Level—\$1000

A team of 6 bowlers at **Strike Out Cancer**
4 entries to the **Run4YourLife** race
