

Car for sale

Chevy Trailblazer LS, 2005

Asked price: \$2,500

- **Chevy Trailblazer from 2005**
- **4WD SUV**
- **3 rows, 7 seats**
- **V8, 5.3l**
- **Automatic transmission**
- **173k miles**

We sell our car, which is perfect for either transport up to seven people or all your stuff. It has three rows and the second

and third fold. Bought it in Nov 2016. Got a new alternator, new rack-and-pinion and new brakes since then.

The V8 automatically shut off some cylinders on longer highway trips to save fuel.
