

## **2004 Volvo AWD XC70 217,987 miles**

**\$2,100.00**

[lwcarpenter@mac.com](mailto:lwcarpenter@mac.com) 804 815 5138 - Falmouth Cape Cod

For the past six years she has been my super reliable transportation, along with an incredible carrying capacity, comfort and fuel economy at with >30 mpg on the highway with regular gas. Having only spent four (on / off) years up here in the NE, and a lot of her time between VA and Ma - with all her servicing having also been carried out in Virginia, she does not exhibit or suffer from all the usual weather-related damage a 14 year old car would normally have at this stage.

No accidents, free and clear title, with an excellent engine and nine months state inspection remaining.

2.5L I-5 Engine, 5-speed Auto transmission, all wheel drive, ABS Traction control.

Front air conditioning, dual zone automatic

Driver and front passenger heated seats

AM/FM stereo, seek-scan radio

Front and rear fog/driving lights

Heated mirrors

Windshield wipers - rain sensing

Driver and passenger lumbar support

Premium package - [see link below](#)

Touring package - [see link below](#)

Integrated booster seats - [see link below](#)

16" XENIA Alloy wheels

**Serviced regularly to include:**

**Radiator and starter motor (2016)**

**Timing belt, water pump and tensioners etc at 210,662 miles (2017)**

**Brake pads, rotors and tires (2017/18)**

**Class II towing hitch installed (2014), only used on two 650 miles trips when I first moved up here.**

A stack of service paperwork available to mull over - just about everything works - all the usual characteristic Volvo eccentricities - a fab car for long journeys, moving stuff around, and the bloody awful winters we get up here.

**“Winter is coming”**
