

FOR SALE - brand new *SleepOnLatex* organic mattress \$475.00

Cost \$1,500.00 seven days ago - NEVER SLEPT ON.

100% natural latex foam mattress, organic cotton and organic New Zealand wool cover.

After a huge amount of research, our beautiful king size (76" x 80" x 7") 100% organic latex mattress arrived alas they sent a "firm" and not the "medium" as ordered. SleepOnLatex are a fantastic Company to work with and have already sent us the correct/replacement mattress, Ergo we have no need for the firm version.

Fully compliant with:

Greenguard Gold Certificate

Oeko-Tex Certificate

ecolInstitut Certificate

We paid \$1,500.00

If interested you will need:

1. Minimum - two people as latex is very h-e-a-v-y 175 lbs.
2. Roomy transportation - this mattress came in a box, but has been "liberated", and cannot be recompressed.
3. A sense of humor as when lifted "it" (... the mattress) has a mind of its own well it is organic !
