

2022 Native American Heritage Month

# Wampanoag Nation Singers and Dancers

**Saturday, November 5, 2022 at 3:00pm**  
**MBL Courtyard**

Join us and the Wampanoag Nation Singers and Dancers as they perform music, dance, and tell stories. Members of this group of musicians and artists come from multiple of the tribal communities of Cape Cod and the Islands (including Mashpee, Herring River, and Aquinnah).

The performers dress in traditional clothing and the music is accompanied by a water drum and handcrafted rattles. The audience is encouraged to join the performers in song and dance to have a first-hand experience of the spirit of Wampanoag history, culture, and traditions.

Sponsored by the Woods Hole Diversity Advisory Committee (DAC), a group created by members of all six Woods Hole science institutions whose goals include increasing representation and advancing inclusion to increase diversity in the Woods Hole community.
