

TERRACORPS: Connecting land and people for life

TerraCorps works at the intersection of the land trust and urban agriculture movements to create a future where land is the foundation of health and well-being for ALL people in EVERY community.

Come serve as a TerraCorps member with the **Wareham Land Trust** (WLT) and help create equity across Massachusetts. This year, WLT is looking to fill a **Land Stewardship Coordinator** position.

As a TerraCorps member you can:

- Help communities conserve land
- Build trails for all abilities to exercise on
- Organize volunteers to stewards properties
- Teach youth about nature
- Preserve land for future generations
- Care for flora and fauna
- Help local nonprofits achieve their mission

Position and Benefits:

Members serve an 11-month term from **September 2023 to July 2024**. During their service, members receive:

- A living allowance of \$26,667 (pretax)
- Education award of \$6,895 (pretax)
- Mentorship, trainings, & career development opportunities
- Loan forbearance, health care, childcare, and more!
