

A **FREE** public event

Woods Hole Science Stroll

Explore science on the streets of Woods Hole and get up-close views of current research vehicles and robotic vehicles.

Take part in science demos, hands-on activities, and crafts for kids.

Engage with people from 24 organizations and the discoveries they are making.

Saturday, August 9
10am - 3pm

Water Street, Woods Hole

FUN
*for the
whole family!*

For more information, please visit
woodholesciencestroll.org
