## **CONSERVATION AGENT**

Are you passionate about conservation and have an interest in public service? The Town of Brewster is currently accepting applications for a part-time Conservation Agent. This new position performs a variety of technical, administrative, and permitting work assisting the Conservation Department in environmental protection and administration of applicable laws and regulations such as the Massachusetts Wetlands Protection Act.

Under the administrative direction of the Director of Natural Resources and in collaboration with the Conservation Administrator, the Conservation Agent will conduct site visits and inspections to ensure compliance with all applicable laws, regulations, and permits. Responds to inquiries and provides guidance, education, and assistance in complying with codes and regulations, and provides information on applicable procedures and submittal requirements. The Conservation Agent will also assist in monitoring open permits and enforcement orders and maintains spreadsheets and databases to track administration and enforcement activities.

Bachelor's degree in environmental science, Natural Resource Management, or a related field and a minimum of one year of related experience required; or an equivalent combination of education, training, and experience. The ideal candidate is a team player, who is detailed oriented and has the ability to work with the public in a fair and impartial manner. **Interested?** [Click here](#) *for the full job description and more information on the skills and abilities needed to be a successful candidate.*

This is a part-time, 19 hour a week position, covered under the Town's Personnel Bylaw agreement, with a starting pay range of \$30.70 - \$33.55 per hour, starting rate dependent on qualifications and experience. Please send cover letter, resume, and Town employment application in one PDF to Susan Broderick, Human Resources Director at [employment@brewster-ma.gov](mailto:employment@brewster-ma.gov). The position is open until it is filled with priority deadline for review of 08/07/25. Interviews are expected in the second week of August with a start time of early September. EEO/AA
