### **NATURAL RESOURCES ASSISTANT**

*Do you enjoy working outdoors? Do you have an interest in aquaculture or conservation?*

The Town of Brewster is currently seeking applicants for the seasonal position of Natural Resources Assistant. This position is responsible for assisting the Natural Resources Department in shellfish propagation and compliance, land management, community events, mooring compliance, and water quality monitoring.

This is a part-time seasonal position (June – August), approximately 20 – 30 hours per week, some weekends required, with a pay range of \$19.00 – \$24.00 per hour, starting pay dependent on qualification and experience. Applicants must be at least 17 years old, with a valid driver's license.

Please send cover letter, resume, and/or Town employment application to Human Resources [employment@brewster-ma.gov](mailto:employment@brewster-ma.gov). Positions open until filled with a priority deadline for review of May 17, 2026. Interviews anticipate at the end of May. EEO/AA
